## JJHS Science Fair Set

Jefferson Junior High fifth through eighth grade had their science fair Jan. 17.

The students either made a poster on something for the science fair or write a two page paper on anything they have learned in science this year. Students had to have their essay or a poster board turned in Jan. 14.

If a student gets first or second place they go to all-region. When students go, they compete against other schools. If a student gets first place, they compete in Kilgore.

## Living Literature Museum Planned

JJHS Language Arts students will participate in a Living Literature Museum on April 2. It is going to be at the Jefferson Junior High at 5 p.m. and ends at 7 p.m.

Students will pick a non-fiction (American Literature) character or author from a book. After they pick their person, they will research the person, and create a board about their person. They will also have to dress as the person that they pick. Students will have from February through April to complete this project.

## OPINION POLL:

### What's Your Favorite Place to Eat?

We recently asked one student from each grade level their least favorite, and favorite place to eat in Jefferson.

David Harper, 8th Grade

Eighth Grader, David Harper, told us his favorite place to eat is Riverport Barbeque, and when asked which he least liked, he told us McDonald's. We then asked what restaurant he wished we had, and he said Jalapeno Tree.

Kylee McGregor, 5th Grade

We asked 7th grader, Kylee McGregor, her favorite restaurant, and she told us Dairy Queen and said "I really like the chicken strip basket." Her least favorite is Sonic because "the only good thing is the corndog," she said. We asked what she would like in Jefferson, and she told us "Pizza Hut, so we can get pizza faster."

Vanessa Bautista, 6th Grade

Sixth Grader, Vanessa Bautista, told us her favorite place to eat in Jefferson was Bulldog Pizza, because "I really like pizza." She then told us she didn't have a least favorite place. When asked what she wished we had in Jefferson, she said Jalapeno Tree, "because I like the food they have."

Darrieon Russaw, 5th Grade

We asked fifth grader, Darrieon Russaw his favorite place to eat, and he said "Chili's because they have spicy food, and I like spicy food." He then told us his least favorite place to eat.
