

BULLDOG BEACON

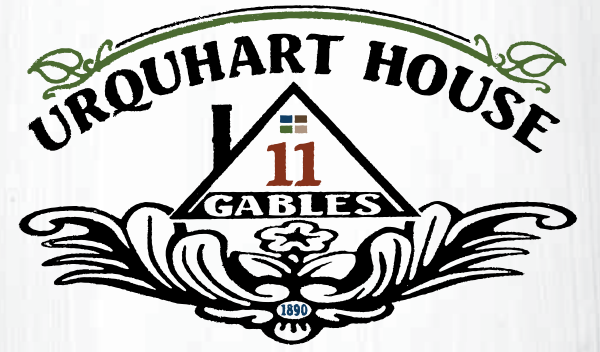

MATHBOTS RULE CRAZY ABOUT MATH AWESOME MATH MAGIC MATH MATH IS THE WAY TO GO

Lisa Barry's 4th grade Jefferson Elementary School students compete in a math lab covering area and perimeter with their resident robot, Dash. Here, Dylan Gardner uses both higher level math skills with technology integration and coding to measure the perimeter of a rectangle.

Multiple 4th grade editors in Mrs. Barry's class suggested headlines for this story when the *Jimplecute* visited campus Wednesday for "Career Day." Unable to choose a favorite, we have opted to use them all.

Join us for a relaxing getaway. Enjoy one of our 5 suites with private baths while exploring and shopping historic downtown Jefferson.

Green Eggs and Ham

Chase Garcia, Ronald Thomas, Jr., and Phillip Green from CenterPoint Energy presented a \$500 check to the Jefferson Elementary School Library on March 1. Accepting the check are Gaye Hunter, Librarian and Lindsey Whitaker, Principal. They celebrated Read Across America and Dr. Seuss' birthday by reading "Oh, the Places You'll Go!" and "Green Eggs and Ham" to first through fourth grade students.
